Applying for Membership of Emsworth Radio Sailing

Emsworth Radio Sailing is always keen to welcome new members, so please complete online membership application following the guidance provided on the form. If at the time of your application our membership is full, we will add yours to the waiting list and let you know that is what we have done.

An acknowledgement confirming receipt of your application will be sent to you from the following email address noreply.emsworthradiosailing@membermojo.co.uk

Please Add the following email addresses to your email contacts list so that email communications from us (Emsworth Radio Sailing) go into your 'Inbox' and not your 'Junk' mailbox:

- noreply.emsworthradiosailing@membermojo.co.uk
- mailer.emsworthradiosailing@membermojo.co.uk

Data security

All Application forms:

- are securely stored in a GDPR compliant third party run database using state of the art security
- may be deleted at any time should you change your mind by informing us via emsworthradiosailing@gmail.com
- deleted automatically after 13 months if we are unable to process your application further due to lack of membership vacancies. You will be advised by email if your application form is deleted

If you leave the page at any time prior to 'submitting' your application, the data you have already entered will not be saved.

You may re-start the process at any time you choose. Your submission will be saved in a queue if we have a waiting list at that time.

Please note: If your application is added to our waiting list we normally will start processing your application after our renewal process has been completed in January and the number of invites will depend on how many vacancies we have at that time.
